The meeting was called to order at 3:05 pm by Steve McMullin, Chair.

Adoption of the Agenda

Motion was made and seconded to adopt the agenda as amended. The motion to approve the agenda passed unanimously.

Reports from Commission Committees/Sub-Committees

Committee on Undergraduate Curricula

Linda Anderson moved for approval of the report of the Committee on Undergraduate Curricula meeting of April 8, 2011. Motion was seconded. The College of Engineering moved to approve the report of 4-8-11 as amended below, deferring the requested name change of the Department of Wood Science to the Department of Sustainable Biomaterials to be approved with the degree proposals in the department. The College of Agriculture and Life Sciences seconded the motion. After discussion, the motion to amend the CUC report of April 8, 2011 and postpone the requested departmental name change was carried with a vote of 14 yes, 3 no, and 1 abstention. The amended report (with the name change removed) follows the original report. The motion to approve the remainder of the CUC report was approved unanimously.
