Call to Order by Saul Halfon, Chair: 2:15 PM

Announcements: We introduced ourselves again

Guests: None

Note: As of this meeting an appointment has not been made for College of Engineering

Old Business: None

New Business:

Proposal Tabled: Following a motion to table and second, the committee voted to table the following proposal, and major revisions requested:
Course
   CM-1800 BIT 5524 Introduction to Business Intelligence and Analytics

Proposal Deferred: Because BIT 5524 is a prerequisite for this course, the committee discussed the proposal and made suggestions for revisions, but deferred a vote on the proposal:
Courses
   CM-1799 BIT 5534 Advanced Business Intelligence and Analytics

Adjournment: 3:05 pm

Respectfully submitted on behalf of GCC,
Mary Madis
