3. New Business

Commission on Research
Resolution COR 2011-12A
Revision of Policy 13010 – Individual Conflicts of Interest and Commitment

Ms. Beth Tranter presented the resolution for first reading. Ms. Tranter gave a PowerPoint presentation in order to help explain the revisions to Policy 13010 (see attachment A), which were necessitated mainly due to new federal regulations.

Dr. Steger questioned if an assessment has been made on the financial impact of the new set of regulations. Ms. Tranter indicated that there has been an assessment made in the Office of Research, but not at the college and department levels. There will be a need for two new full-time employees, one of which will be a Conflict of Interest Officer, and expenses for training. Dr. Pat Hyer stated that there will also be a need to move to an online process that will have to be developed because a paper format will not be manageable. The online format will also have additional costs. Dr. Wynne stated that this is a well-crafted document that is
protective of the university, protective of the faculty, and brings the university into compliance with federal mandates.

**Commission on Graduate Studies and Policies**
Resolution CGSP2011-1D
Revision of Graduate School Policy on Advisor Conflict of Interest

Dr. Victoria Soghomonian presented the resolution for first reading. Dr. Soghomonian indicated that the revision to the policy keeps the wording consistent with the Commonwealth of Virginia’s definition of a family member and with what Virginia Tech wants to define as a family member. A question was raised as to whether or not the State of Virginia recognizes the term “partner.” Ms. Heidbreder indicated that the state does not really recognize the term, but the term “partner” can be used in this instance for Virginia Tech’s purposes.

**Commission on Student Affairs**
Resolution CSA 2011-12A
Changes in Membership of the Commission on Student Affairs

Mr. Sandy Bass presented the resolution for first reading. Mr. Bass gave a brief description of the membership changes. These changes will bring down the total membership from thirty-eight members to twenty-six members. Fewer members will allow more efficiency during meetings.

4. **Old Business**

**Commission on Administrative and Professional Faculty Affairs**
Resolution CAPFA 2011-12A
Resolution to Approve Revisions to University Policy 4060

Ms. Amy Hogan presented the resolution for second reading and made a motion to approve. The motion was seconded. Ms. Hogan briefly described the revisions to the Policy 4060. Since the first reading, section 2.2 was changed to add “This policy is subject to the provisions of the Fair Credit Reporting Act (FCRA).”

A vote was taken, and the motion passed with one vote opposing the resolution.

**Commission on Faculty Affairs**
Resolution CFA 2011-12A
Initial Appointment for Extra-Collegiate Library and Extension Faculty on the Continued-Appointment Track
