1. Appointment of New Members to Commission and Committees

   The commission needs to appoint new members to serve on University Council and CEOD. Please let Maxine know if you are interested in serving on either group.

2. Policy review:
   - Tuition Waivers – Doug Martin
     A question has arisen regarding Policy 4800: Tuition Waiver and Reimbursement Program for Salaried Employees. While the policy applies to both faculty and staff, Section 3.1.5 specifically states that staff members are required to document their time, faculty are not mentioned. It was noted that exempt employees may work more than 40 hours in a week, and questioned requiring those employees to make up time missed. Doug Martin noted that the requirement that all staff complete the form could be for audit reasons, but that it could be open to different interpretations since it did not specify exempt or non-exempt. He will review the policy and come back to the commission with recommendations. Any changes involving AP faculty would need to be reviewed with CAPFA.
   - Hours of Work/Alternate Work Schedules and Telework – Cathy Jacobs
     Cathy Jacobs reviewed Policy 4300: Hours of Work and Policy 4325: Alternate Work Site and Telework regarding reporting requirements. The policies do apply to both staff and AP faculty. AP faculty, as well as staff, are expected to complete the telework agreement. The agreement is important so that there is a mutual understanding of what is expected by both parties. Of particular importance is safeguarding confidential information which may be accessed or used by employees while working at an alternate work site.
3. **Other Business**

There being no further business, the meeting adjourned 4:35 PM.
