VI. Old Business

a. Dr. Spencer, VP for Student Affairs, Resolution for CSA Membership

Before presenting the resolution, Dr. Spencer gave some background for new members to explain what has been going on with the review of CSA Membership. He noted that Dale Robinson assisted with the sessions to review proposals, serving as a mediator going through the process. After review of the process and how he came up with a proposal that was a combination of the two proposals, which previously garnered the most support, he moved the proposal be put forth as a resolution, the motion was seconded and the floor was open for discussion. Questions were raised about: elimination and consistency of class officers, ratio of graduate and undergraduate students, elimination of some of the programming groups, how do you prevent the commission from growing in the future, how the chair is selected, a need to define the commission correctly, etc. Mr. Robinson asked that the group be thoughtful about the process and that any potential amendments be distributed to the Commission prior to the next meeting so that folks can think about them. Mr. Bass asked that any amendments be to him by February 3 and that everyone be prepared for the second reading and vote at the next meeting.

VII. New Business

a. Change Date of Next CSA Meeting – from February 16 to February 9.

Dr. Spencer announced that the February 16 meeting is in conflict with a Leadership Lab for the Corps of Cadets that would be beneficial for CSA members and other non-cadets to attend. They will be having alums present who have contributed significantly to leadership programs in Student Affairs who will be talking about applying what they learned from
leadership in college to their careers. Having CSA meet on February 9 would free everybody up to attend the Leadership Lab. This will be held in Burruss Auditorium at 3:30 p.m. A motion was made to change the February 16 meeting to February 9; the motion was seconded, and carried.

b. Ms. McLeese announced that she met with Dr. Martha Glass, Associate Director of Administration for Assessment for Student Affairs, and she will be assisting CSA in undertaking a readership survey on the *Collegiate Times*. The survey will draw a random sample of students not necessarily involved with CSA and will be sent out for about three weeks beginning February 6, going through Institutional Research. Results should be in by spring break and at that time Ms. McLeese will meet with the subcommittee and report back to CSA at one of the March meetings. She also noted that Dr. Glass suggested there be some type of incentive to those who choose to participate in the survey and asked the group to brainstorm some ideas of what that incentive might be. Some suggestions were: a gift card, a daily parking pass, dining dollars, etc.

VIII. **Adjournment:** The meeting was adjourned at 4:55 p.m.
