Call to Order – Patricia Rodgers, Chair

Meeting called to order by Patricia Rodgers, Chair, at 10:35 a.m.

Aflac Update

Angela King – Contract with JMU has been awarded. Requisition for Virginia Tech was sent yesterday to procurement. Becky Morris is working on a benefits comparison to illustrate differences between currently offered benefits vs Aflac. Becky will come speak to the benefits committee at the March 26, 2015 meeting. More information regarding open enrollment for Aflac will be available at the March meeting.

Recommendation from Hal Irvin: Ask JMU how much their employees have saved on rates by participating in the group Aflac plan.

Savings on rate premiums through the group rate vs. individual rates would vary for individuals. The hope is that there will be a nice savings.

New Employee Dashboard

New Employee Dashboard was released to a pilot group to assist employees in viewing their “new-hire” choices, such as health insurance and other benefit elections and provide deadlines for completing their elections. New employees have begun using the dashboard in addition to the pilot group for additional feedback. Dashboard allows employees to view job details, see what mandatory training is required, and view other job/personal information. HR Partners and employee supervisors can check to see what tasks still need to be completed by their employees.

Yohna Chambers provided a demonstration of the pilot dashboard to the benefits committee. Employee and supervisor screens were demonstrated.

Tuition Waivers and Tuition Reimbursement
The Tuition Waiver and Reimbursement report is now edited. At the March 26th meeting, the report will be distributed to Benefits Committee members in paper form.

Lori Baker-Lloyd with UOPD will be at the March meeting to discuss potential reciprocal agreements with other educational organizations and other potential educational opportunities available to employees.

Question from committee: Will dependent assistance be available as well?

Dependent tuition assistance is unlikely through the state. Virginia Tech is working to raise more money for the Employee Spouse and Dependent Scholarship fund so that more people can take advantage.

Recommendation from committee: Have Tom McAvoy speak to benefits committee regarding the scholarship.
