I. **Call to Order**

Ms. Kylie Gilbert, chair, called the meeting to order at 3:39 p.m. after allowing additional time for those who may have gone to Squires, the location where meetings are normally held, as this was an add-on meeting.

Ms. Gilbert called the meeting to order, welcomed all members and guests, and reviewed the agenda items for discussion.

III. **Guest Speakers**

a. CEOD Legislation – Marwa Abdel Latif, Laura Rugless, and Chad Mandala

Marwa Abdel Latif, CEOD student representative, thanked the commission for allowing her to attend the meeting and take part in the discussion about Policy 1025. She explained the importance of educating the community and how CSA might assist with this effort.

Laura Rugless, Executive Director for Equity and Access, thanked the commission for allowing her to attend the meeting and explained her involvement with Policy 1025. She distributed several handouts for the commission to review including:
Ms. Rugless discussed potential changes to Policy 1025 as a result of the new Governor's Executive Order; Gender Identity and Gender Expression are the two issues being considered as additions to Policy 1025. Senior leadership at Virginia Tech seems to support Gender Identity primarily due to the fact that it is aligned with the executive order. Her main purpose today was to meet with the commission and gather feedback. If the resolution goes forward, the Commission on Equal Opportunity and Diversity will vote on April 7, 2014, take it to University Council on April 21, 2014, for the first reading, and then back to University Council on May 5, 2014 for the second reading.

Chad Mandala, Residential Learning Coordinator, added that with this change students will feel comfortable on campus being who they are and will go from “survive to thrive”. Further, it creates an opportunity for people to be themselves now and in the future.

In addition, discussion led to Virginia Tech and SCHEV peers that support Gender Identity and Gender Expression. Notably, Virginia Tech has fallen behind due to the lack of former support of Gender Identity.

Ms. Gilbert asked the group if anyone was interested in supporting the resolution and writing the legislation. Those interested were Brent Ashley, Adil Dittmer, Noha ElSherbiny, Greg Purdy, Caroline Sapyta, and Erica Wood. Mr. Purdy agreed to be the lead on this project, working with Ms. Rugless and interested CSA members.

IV. Commissions/Committees Updates

a. Series 8000/Budget Board Working Committee – Lester Schonberger

Mr. Schonberger met with Monica Hunter, Associate Director of Student Centers and Activities, and discussed two concerns: simplifying the Student Budget Board funding procedures and the possible inclusion of the Budget Board vice chair in CSA meetings in a non-voting capacity.

V. Old Business

a. Series 8000/Hokie Handbook Policies (second reading) – Angela Simmons and Jaime Joslin
Ms. Jaime Joslin, Assistant Director of Leadership Development Programs for the Division of Student Affairs, thanked the commission for allowing her to attend the meeting. Ms. Joslin continued with the second reading of all changes for the following policies:

Policy 8005: University Staff Support for Student Programming Organizations *(proposed title change to University Staff Support for Organizations with Significant University Interest)*

Mr. Brent Ashley motioned to vote on passing the resolution. Mr. Greg Purdy seconded. The resolution was passed.

Policy 8011: Establishing and Maintaining a University Student Life Program (USLP) *(Addition of Staff Support Language)*

Mr. Schonberger motioned to vote on passing the resolution. Mr. Dittmer seconded. The resolution was passed.

Policy 8012: Establishing and Maintaining a University Chartered Student Organization (UCSO) *(Addition of Staff Support Language)*

Policy 8014: Establishing and Maintaining an Extended Campus Student Organization (ECSO) *(Addition of Blacksburg Campus Student Budget Board Guidelines)*

Discussion continued on whether to support this resolution. Supporting the resolution would *absolutely* state that extended campuses cannot get money. Another thought was it may be best to leave the resolution as is, vague and open to interpretation.

Mr. Greg Purdy motioned to table the resolution. Mr. Peter Nettekoven seconded. The resolution was tabled until the April 17, 2014 CSA meeting allowing time for further discussion with Dean Karen DePauw and a satellite office of the Graduate School.

Policy 8220: Security Requirements for Events Sponsored by Student Organizations *(Clarification of Security Personnel)*

Mr. Brent Ashley motioned to vote on passing the resolution. Mr. Greg Purdy seconded. The resolution was passed.

Ms. Angela Simmons, Director of Student Conduct for the Division of Student Affairs, thanked the commission for allowing her to attend the meeting. Ms. Simmons continued with the second reading of changes to the Hokie Handbook.
Mr. Greg Purdy motioned to vote on passing the resolution. Mr. Lester Schonberger seconded. The resolution was passed.

Ms. Sapyta will do the second reading at the next CSA meeting on April 3, 2014.
