1. Welcome and Introductions

2. Agenda Approval
   Reed made a call for the approval of the agenda and any changes; the agenda was motioned to approve as is; was seconded and was approved.

3. Alumni Awards for Outreach Excellence
   Tom Tillar was present at the meeting to answer questions and get feedback from the group with regard to the Alumni Awards for Outreach Excellence. The commission had expressed a concern about the award amount, and if an increase would be possible to attract more applicants.

   Tom began by giving a little bit of background with respect to the number of awards that are funded by Alumni Affairs. He indicated that over the years the number of awards has increased, and some of the awards have been around for a long period of time. When the awards started out, the monetary amount awarded was $1,000. The award increased to $2,000 about 20 years ago, and has stayed at that amount. There are between 18-25 awards, and it would be very difficult to increase the amount of one award without increasing the amount of all of the awards. Endowment funds the awards in part, but does not cover the entire amount of the award.

   The question that was also raised was concerning changing the name of the Alumni Awards for Outreach Excellence to provide further clarity to applicants. Tom responded that there is some flexibility with the name changes and that we would need to send some suggestions to the Alumni Association. The question as far as changes in the criteria was also raised and Tom responded that there is flexibility with that as well. Another aspect that was raised had dealt with the question if other award committees put forth multiple years’ applicants forth for the current award period, and Tom indicated that some committees do practice this.

4. Announcements
   Reed made the call for announcements.

   Kimberly Rhodes indicated that candidates for the Executive Vice President and Provost position will be arriving on campus beginning next week; and that the third candidate for the Associate Vice President for International Affairs will also be on campus next week.
