I. Call to Order

II. Guest Speakers

a. Budget Board Procedures – Monica Hunter

Ms. Monica Hunter, Associate Director of Student Centers and Activities, Ms. Elaine Quesenberry, Student Organization Accounting Manager, and Ms. Lorraine Fuery, Vice Chair of Student Budget Board were in attendance to review and explain the Student Budget Board procedures and processes for requesting funds and how the money is allocated to UCSOs and RSOs.

Monica explained the two types of organizations (UCSOs and RSOs) and how the funding request process works for each type of organization. Following their presentation, the floor was opened for discussion. Some items noted were:

- Funding workshops are offered for students to become familiar with the process.
- The Student Budget Board reports to CSA.
- In response to a request, Ms. Hunter will be providing to the group a list of “do’s and don’ts” and also good examples/sample materials of what other organizations have requested.
- Unspent funds go back to the contingency fund line for reallocation the following year.
- Changes in budget board processes can be made by recommendation and vote by CSA.
- In response to a concern regarding collaboration and sharing of funds by cultural organizations specifically, Dr. Perillo recommended to Ms. Hunter that Budget Board should connect with Multicultural Programs and Services. Sharing Budget Board approval for events can allow staff in MPS to better facilitate collaboration amongst cultural organizations.

Ms. Gilbert suggested that two working groups should be organized to bring forth recommendations regarding: 1) Working with Monica Hunter and Budget Board and 2) Working with MPS to connect cultural groups.

The follow sub-committees were formed:

Sub-Committee – Budget Board Process: Chris Atkins, Erica Wood, and Matt Chan

Sub-Committee – Cultural Group Connections: Noha ElSherbiny, De’Ashley Spain, Emma Smith, and Lester Schonberger

Ms. Hunter also requested that a sub-committee be formed to look at the 8000 Series Policies. Those who volunteered to serve on this subcommittee are: Matt Chan, Chris Atkins, Erica Wood, Caroline Sapyta, and Lester Schonberger.

III. Commissions/Committees Updates

a. Non-Traditional Student Support Working Committee – Lester Schonberger

Mr. Schonbeger reported on the sub-committee work that had been done on the topic above. He noted that the five areas they looked at were:

- Labeling of foods for non-traditional diets, which includes determining what the different diets are, causes for concern, and ways to determine the need and desire for the different diets
- Dining hall options for graduate/international students during breaks – looking at appropriate locations, how many people would be required to run a dining facility during breaks and what the cost would be, etc.
- Religious holiday food options/after-hours options – awareness, training, education component.
- Absences for religious and ethnic holidays - taking a look at the religious holidays currently on the university calendar. Students
will collaborate to use the SGA Extreme Makeover - Campus Edition survey to determine the holidays’ students observe.

The next step for the subcommittee will be to schedule and meet with representatives from SGA, Dining Services, and the Registrar’s Office.

b. Principles of Community Working Committee on Gender Identity – Chris Atkins

Mr. Atkins reported that they met yesterday and will be gathering data from peer institutions to see where Virginia Tech stand in comparison. The sub-committee hopes to have all of that information available and ready to report on at the next CSA meeting. Ms. Sapyta noted that she had contacted Catherine Cotrupi who had already done some research and found out that Virginia Tech and two other schools are the only schools in SCHEV that do not include gender identity in non-discrimination language.
