   a. Proposal Review – Marlene Preston, Convener
      Ms. Preston discussed the Working Group’s ideas for possible changes to the proposal guidelines and asked the following questions of the committee:
      i. Should only approved courses be submitted to UCCLE for consideration by the CLE? (thereby eliminating one of the two proposal forms)
      ii. What do you consider a ‘significant’ number of goals to be achieved in any one area? Is two-thirds significant?
      iii. Should 4000-level courses be offered in the CLE?
      iv. Should active learning be an expectation for CLE courses as it pertains to class size and interaction?
      v. How should the writing component be handled in CLE courses?
      vi. With the expectation that CLE courses be taught by ‘regular faculty,’ should there be a specified level required of the GTA teaching CLE courses?

      Following a lengthy discussion it was agreed that the working group proceed with their suggested changes for the proposal guidelines and present them to the committee at its next meeting on November 5, 2008.

      Due to the planned shortness of this meeting, the remaining items on the agenda were not discussed.
