2. Announcement

Dr. Steger informed the Council that Virginia Tech is still working through the budget process in Richmond and will not know the senate version of the budget until Sunday, February 21, 2010. The cumulative reductions to Virginia Tech are approaching $75 million of the budget, and the Governor and the House do not intend to make any additional cuts in higher education. However, the Senate has indicated that there could be additional cuts of $150 million or more to Virginia’s higher education institutions. Leaders in the House and Senate have suggested that Virginia Tech officials need to speak out in terms of the impact the additional cuts will have on the university.

Ms. Michelle McLeese presented the resolution for first reading. McLeese asked Adam Rubin, President of the Jewish Student Union to review the resolution.

5. **Old Business**

**Commission on Student Affairs**
Resolution 2009-10C
Resolution for Changes to the Hokie Handbook
(Weapons Policy for Student Code of Conduct)

Ms. Michelle McLeese presented the resolution for second reading and made a motion for approval. The motion was seconded and McLeese asked Dr. Rohsaan Settle, Assistant Director for the Office of Student Conduct, to answer any questions. Dr. Spencer informed the committee that the request to change the policy did not have anything to do with flammability of ammunition, but it was changed in order to bring the weapons policy in line with other institutions by making it more comprehensive and complete. Ammunition belongs with weapons, and since weapons have been banned on campus, ammunition should be banned as well. There have been concerns expressed by students about the presence of ammunition in the residence halls. Seeing ammunition in the residence halls causes some students to feel uncomfortable and unsafe. Shane McCarty, a former residence hall advisor, informed the committee that the issue with ammunition in residence halls is about perceived safety, and this issue of perceived safety can be eliminated by storing ammunition with the weapons at the Virginia Tech Police Department.

Council then voted on the resolution and the motion passed.

**Commission on Student Affairs**
Resolution 2009-10D
Resolution for Changes to University Policies for Student Life
(Interim Suspension Policy)

Ms. Michelle McLeese presented the resolution for second reading and made a motion for approval. The motion was seconded and McLeese asked Dr. Rohsaan Settle to answer any questions. The resolution was approved.

6. **Report on SACS Visit**

Wubah informed the council that last September a SACS report was submitted and it went through an offsite review. An onsite review will be conducted in mid March. Beginning next week, there will be information sessions scheduled across campus to answer any questions or concerns. The SACS team will focus on Virginia Tech’s Quality Enhancement Plan (First Year Experiences) and institutional effectiveness.
