

2024-25 Proposed Goals: Commission/Committee Name	
Goal 1	Clarify the responsibilities and roles of clinical instructors and clinical professors.
Goal 2	Clarify aspects of the Faculty Senate constitution, including duties of the immediate past president, possibility of self-executing updates, and responsibilities and structure of external committees.
Goal 3	Study the possibility of allowing for full-time benefits for part-time faculty.
Goal 4	Clarify the reporting structure for University Distinguished Professors in the Faculty Handbook.
Goal 5	Strengthen language in the Faculty Handbook related to professionalism and ethics issues involving student-faculty romantic relationships.
Goal 6	Clarify language related to the appeals process for faculty who are not successful in seeking promotion from associate professor to professor.
Goal 7	Establish a Faculty Senate-sponsored discussion forum for issues of pressing concern for the university community.

Goal 8	Define appropriate standards of transparency for governing documents of colleges, college faculty associations, and academic departments.
Goal 9	Unify language in the Faculty Handbook related to Freedom of Speech and Academic Freedom with a statement added in Chapter 2.
Goal 10	Integrate the content of Chapter 12 (VTC SOM) of the Faculty Handbook into other existing chapters.
Goal 11	Restructure the faculty reconciliation process and amend the Faculty Handbook and Faculty Senate Constitution accordingly.
