

2023-24 Proposed Goals	Commission on Staff Policies and Affairs
Goal 1	Look at leave discrepancies that impact staff and work with senior leadership to effect change
Goal 2	Develop a resolution to add the university’s support of participation in shared governance and professional development into job descriptions
Goal 3	Learn about past compensation programs for staff and support efforts to propose changes to staff compensation
Goal 4	Increase professional development and career pathing for staff
Goal 5	Increase diversity, equity, inclusion, and belonging initiatives for staff
